## Church Matters September 2007

06/2007

### Telephone contract

We have signed a new agreement with Telstra on behalf of parishes and organisations for the provision of telephone services. This will result in even lower rates than are currently enjoyed, for example the cost of a local call has dropped to 6.8c. If you need more information please contact the office. If you have any telephone lines or mobiles that do not come under the plan, please let us know if you wish them to be part of this advantageous arrangement.

### Annual Insurance Renewals - Market Stallholders

Does your parish run a market in which stallholders from outside the parish participate? Parishes which have an existing policy will be contacted in the near future about renewal. If your parish has commenced a market in the last twelve months, please contact Lesley Metcalfe as soon as possible so that appropriate insurance cover can be arranged - telephone 6220 2019 or [registry@anglicantas.org.au](mailto:registry@anglicantas.org.au).

### Projected Construction Special Risks Insurance

Is your parish expecting to do any major works over the next twelve months? If so, please let Lesley know the dollar value of the project by 7 September 2007 so that we can put appropriate insurance cover in place.

### Accounts

When you contact Registry with queries about accounts, would you please have the relevant account number/s to hand. This would greatly assist our staff with your enquiry.

### Clergy Housing Policy

Diocesan Council has amended the policy to include reference to white goods. The additions are below, and the full policy can be accessed through the Diocesan website under Resources.

- (i) That the Parish provides a stove or oven/cooktop combination and dishwasher and that all other whitegoods, including refrigerator, washing machine, clothes dryer and microwave oven, if required, are the responsibility of the Incumbent, unless otherwise negotiated at appointment, and

(ii) That the repair, maintenance, replacement and insurance of whitegoods owned by the Incumbent are the Incumbent's responsibility.
